Rule making related to five-year rules review

The Human Services Department hereby amends Chapter 116, “Licensing and Regulation of Residential Facilities for Children With an Intellectual Disability or Brain Injury,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 217.6 and 237.3.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 217.6 and 237.3.

Purpose and Summary

Chapter 116 is amended as part of the Department’s five-year rules review. This rule making updates a cross-reference to the Iowa Code section that contains the definition of “brain injury.” Updating the cross-reference makes it easier for a user to find the definition. The change streamlines the rules by referring directly to the definition of “brain injury” and is consistent with the mental health and disability services redesign legislation.
